Address: 2105 Murray Holladay Rd #2, Holladay, UT 84117

Personal Information

Full Name: Hugh Scott Tucker

Date of Birth: 15 Sep 1959

Place of Birth: Montreal, Canada

Citizenship: Canadian

Visa Status: Permanent Resident Alien (since 1984)

Experience

Aptegra Consulting, LLC

Holladay, UT

2005-Present

President

- President of firm offering litigation and Information Technology consulting
- Expert witness for several clients represented by Ray Quinney & Nebeker, a SLC law firm
- Experienced in forensic drive acquisition, data recovery, file system and internal document metadata analysis, Windows registry analysis, and email/file system search
- Experienced in working within stipulations, protective orders, and negotiated discovery protocols to ensure privacy of non-case-related data
- Experienced with deposition testimony and creating expert reports and rebuttals
- Expert witness for Symantec in a Norton Anti-Virus class-action lawsuit (2004)

SkillRazor, LLC

Draper, UT

2008-2009

CTO, acting COO

- While a contractor, acted as general manager of a software startup specializing in online education and coaching within a custom-built social network built using Ruby on Rails
- Broad responsibilities, including overall strategy, marketing (positioning and messaging), finance (budget and forecast), and software development management
- Using agile processes, led the development team from concept to release in under a year

KMT Software, Inc.

Cambridge, MA

1992-2005

Chief Technical Officer

- After being retained as an expert witness in Caldera vs. Microsoft (DR-DOS), 1998-2001, I established a software development team in Pune, India, eventually employing 30+ developers
- Managed the development of dozens of end-user software products, including HP's *Real Estate Marketing Assistant*, Corel's *WordPerfect OfficeReady*, and TemplateZone's *High Impact eMail*
- Relationship manager for some of KMT's most valued clients, including Hewlett-Packard and Corel. Managed several custom projects from brainstorming to completed development

Vice President

- Co-founder and principal software developer, using VB, InstallShield script, and Windows API
- Contributed to all major office products, including MS Works, StarOffice (OpenOffice.org), Quattro Pro, Corel Office; principal developer of the 1-2-3 SmartMasters technology
- Designed and programmed a custom budget system for a major Boston healthcare firm

Lotus Development Corp. Cambridge, MA 1985-1992

Director of Product Development, Spreadsheet Division

- Managed a team responsible for all external interfaces to Lotus spreadsheet products, including user interface, localization, setup, file format, add-ins, and programmability
- Responsibilities included all OS platforms, including Windows, OS/2, DOS, and Unix/Solaris

Director, Consulting Division

- Helped incubate Lotus's consulting division
- Consulted to several major Lotus clients, including Sears and Owens-Corning

1-2-3 Product Manager

- Responsible for the product marketing function of Lotus 1-2-3 (strategy, messaging); later assigned to lead the design of the next major releases of Lotus 1-2-3
- Performed extensive field research to determine needs and to establish relationships with key customers (e.g., originated and managed product councils and alpha program)
- Principal designer of Lotus 1-2-3 Releases 2.2 and 3.0

Manager of Developer Marketing

- Wrote a developer newsletter, with emphasis on maintaining compatibility with new releases
- Managed publication of a book on document file formats and the Add-in Toolkit
- Organized Lotus's first annual developer conference in 1986

OptionWare, Inc. Hartford, CT 1983-1985

Various positions leading to Director, R&D

- Lead developer and manager of a team that created a library of business applications
- Early user of email and pre-internet technologies (e.g., Compuserve, RBBS-PC)
- Consulted to Mosaic and Borland on compatibility of "clone" spreadsheets

Education

Brigham Young University Provo, UT 1983

- Master of Business Administration, Finance
- Dean's List (Top 5%), Beta Gamma Sigma, Phi Kappa Phi

Dalhousie University Halifax, NS, Canada 1981

- Bachelor of Commerce, Marketing

Certifications and Professional Organizations

- American College of Forensic Examiners International: Certified Forensic Consultant (2010)
- CompTIA: A+ (2009 version)
- American Society of Digital Forensics and eDiscovery, member 5462309
